Appendix –E (Neural Network Performance)

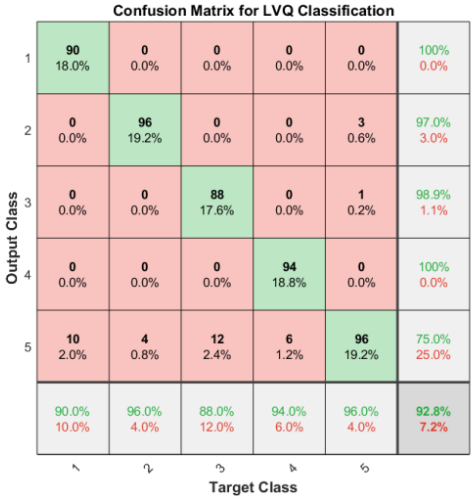

(a) MSE as a function of Epochs
Number of neurons=20

(b) MSE as a function of Epochs
Number of neurons=40

(c) Confusion Matrix
Number of neurons=20

(d) Confusion Matrix
Number of neurons=40

Figure E1: Performance of the LVQNN with different neurons

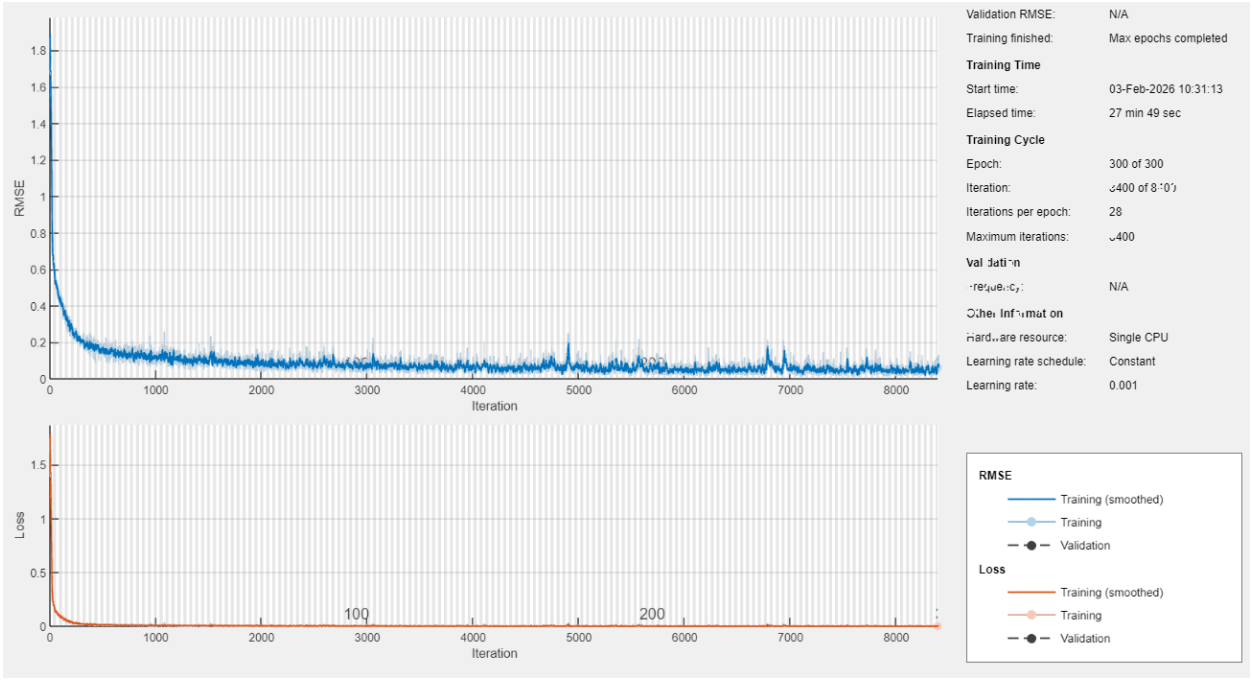

Figure E2: Performance of Deep Back-Propagation Neural Network for class 1
